Dear School Administrator:

To assist with the cost of Catholic education, the Louisiana State Council of the Knights of Columbus has a new program called the "Catholic School Tuition Lottery Program." This free program helps pay for a child's Catholic school tuition.

Members of the Knights of Columbus having children in a Catholic school (from Pre-K to 12 grade) are eligible to enroll their children in this free lottery. Non-members can become eligible for the lottery by joining the Knights of Columbus (assuming they are at least 18 years old, male and Catholic). Thus, this program is only open to members of the Knights of Columbus.

Each quarter we will randomly draw the names of four students, and if selected, we will directly pay their school \$500 towards the child's tuition. The entry form stays in the pool of applicants, thereby providing the chance for the child's name to be drawn more than once!

Please share this wonderful opportunity with your students and their parents. For details and entry forms, please visit: <http://louisianakc.org/programs/youth/tuitionlottery.pdf>

For more information about this program or how someone can join the Knights of Columbus, please contact me at (225) 939-2980 or at Dcforbes1@cox.net.

The Knights of Columbus is the world's largest Catholic fraternal service organization with nearly 2 million members worldwide. We are dedicated to the principles of Charity, Unity, Fraternity, and Patriotism, and we support the Church, our parish, community, family, and youth.

We hope you will support and promote this fantastic program and help parents cover the costs of their child's Catholic education.

Sincerely,
Delmas Forbes, Jr.

Win a FREE first child's registration!!!

January 25, 2019

Happy New Year!

It is that time of the year to start planning and promoting our Open House for new families. As an added advertisement, we are offering present families a chance to win a FREE first child's registration. All you have to do is take the copies of the postcards attached, cut them apart and write your child's name on it and pass it out to a prospective family who may be interested in attending. Ask them to bring the postcard with them to our Open House on Wednesday, January 30, 2019 at 6:30 and place it in the box located on the entrance table. A drawing will be held with the postcards after the Open House. You can make as many copies of the postcards as you would like and pass it out to as many interested families that you know. The more you hand out, the better your chances of winning-just make sure you write your name on them before handing them out. Only two rules: The new family can only turn in one postcard that night and it cannot be a present family with a new sibling.

So start thinking about relatives and friends who may have a child starting school or looking for a new option, hand out those postcards and tell them to come out and see what a great educational opportunity we have here at St. Peter Chanel School.

Sincerely,

Paula A Poche
