Dear Parents/Guardians:

We are excited to welcome you back to another school year! A special welcome is extended to our new families who have joined our school family this year.

Each year CHASA (Chanel Home and School Association) reaches out asking for volunteers. We would like each of you to consider volunteering. This is possible even if you work a full-time job. We even welcome Dads and Grandparents!!!

As a Classroom Coordinator, you (along with the other Coordinators for your class) will work with teachers to organize class Christmas parties, Easter parties, etc. You will also organize your designated activity for the school year. (Ex: Teacher Appreciation week, Kindergarten Graduation, 8th Grade Graduation). Information will be send home to help you with the event your class is assigned to. Coordinators will work together to set up your assigned game booth at our Spring Festival (March 22-24, 2019). All Coordinators are to monitor their booth throughout the weekend. As a Coordinator you will earn 50 points that will go toward your Activity Fee Plan (see Handbook).

If you are interested in volunteering but Classroom Coordinator isn't something you're interested in, don't worry! We have other opportunities for you to get involved. We are currently searching for 1 CHASA member. CHASA is comprised of a group of parents and faculty that oversee all fundraising for the school, including Calendars, Raffle Tickets, Golf Tournament, Carnival Ball, and the Spring Festival. All money raised each school year is contributed to the school budget and keeps tuition reasonable. You will be responsible for attending occasional meetings, your specified duties, and helping with fundraisers where needed. You will earn 50 points that will go toward your Activity Fee Plan (see Handbook).

Your help is greatly appreciated!
